

PUBLIC NOTICE

Hancock Lone Palm Road Roadway Conceptual Analysis (RCA) Study Community Meeting No. 1, Wednesday, February 19, 2025

Orange County invites the community to a meeting regarding the Hancock Lone Palm Road RCA Study. Orange County's Transportation Planning Division has initiated this transportation improvement study which will perform a high-level technical evaluation to determine potential short and long-term improvement alternatives, and recommendations for improving the existing roadway. The study will consider area traffic distribution, bike-ped needs, stormwater needs, intersection improvements, and a potential extension of Hancock Lone Palm Road to Waterford Chase Parkway. The purpose of this meeting is to present the data collection findings, alternative concepts for safety improvements, and to obtain your feedback on transportation issues important to you!

The public meeting will be held on **Wednesday, February 19, 2025, at the Timber Springs Middle School, Cafeteria (16001 Timber Park Ln, Orlando, FL 32828)**. Attendees may view exhibits and speak with project team members during an open house from 6-8 p.m. A presentation will begin at 6:30 p.m. The public will have opportunities to ask questions and provide comments to Orange County and project representatives before and after the presentation. Additional information is available on the project website at <https://hancocklonepalmroadrcastudy.com/> or on the Orange County website at <https://www.orangecountyfl.net/TrafficTransportation/TransportationProjects.aspx>.
